Here we are in the summer of 2021. We finally have a slice of normalcy back in our lives. Thankfully, the deviant women of TABOO are anything but normal.

Take the beautiful gymnast Amanda Whip. Her bendable physique is something to behold. How does she do it? Amanda's gorgeous feet and nylon-wrapped legs leave us panting for more. She has a wicked sense of humor and definitely knows how to put you in your place. Make sure you check her instagram for lots of extra-bendy pics.

Black Angelika and Eve Angel make their TABOO debut. Submissive Eve is a stunner sporting that little vinyl nurse outfit. Black Angelika orders Eve to tongue clean her lady parts. She then subjects Eve to a rather bizarre medical experiment by flushing her out with a quart of kefir. Part of a twisted beauty regiment.

Dominant Majesty Mae and Marykate come together in a delectable BDSM pairing. Young Marykate is eager to please the demanding boot lover. Majesty's satisfaction is evident as she plunges the large strap-on deep into the quivering sub's quim.

There's a DP between three friends. What a lovely way to re-unite after a very long dry spell. Enjoy!

When did you start fetish modeling and under what circumstances?
I started maybe around 2008. I had been going to fetish parties to do drawings of people. I got quickly sucked into the lifestyle. The first stop in my journey professionally was fetish modeling and that got me my first dungeon job.

How did you it make you feel the first time you took your clothes off in front of a camera?
I felt natural. With my background in fine art, I was used to being around nude models. I didn't see it any differently.

What fetishes do you like personally? What do you fetishize in your life?
Verbal humiliation is my specialty. I've got a major motormouth and sometimes I feel like I can press a play button in my brain and keep going for hours. Small penis humiliation is a major interest of mine professionally. I really enjoy how ridiculous it can be at times and have a lot of fun laughing with clients over the depravity of our particular shaming episodes. I am also a natural sadist, so any situation in which I can inflict pain tickles me deeply. In my personal life, I enjoy being a needle top. I have been told that when I watch a needle pierce someone's skin, my pupils widen and I have a very particular cackle as I play in their blood. In my personal life, I of course also enjoy administering rough, hard, merciless penetration. Strap, fist, whatever fits. I LOVE cuckolding.

Are you dominant, submissive or a switch?
I am a dominant top through and through.

Who first taught you about fetishism?
It's a funny story. I blame my sadism on my misandrist grandmother. At a very young age, she gave me a plastic bat and encouraged me to bludgeon her boyfriend while she watched with pride.

Do you like rough sex?
Rough sex is the only sex! ;) As I gauge someone's limits, I work them up slowly until they've reached their comfortable limit. I read this question to my partner and asked what they thought I should say, and their answer was "I allow everyone one tender fuck, then I destroy their hole forever."

Have you ever been pissed or pissed on others?
I've engaged in both and while it's not my first choice, I don't mind doing it.

Have your sexual boundaries changed over time? Are there things you wouldn't do before that you like now?

I used to be much more explorative when I was figuring out what I liked and didn't like, and where I belonged on the spectrum of sexuality and dominance. I definitely had a much higher pain tolerance in my teens and explored that thoroughly. As an adult, however, pain bottoming isn't for me. The only things that I wouldn't do before were needle play and breath play, only because I didn't feel confident in my grasp on safety and technique. Now I'm well seasoned and love doing those things.

Is there anything you would like to try sexually/kinky that you have not done yet?
Waterboarding.

What is the most requested thing you are asked to do by your fans/followers? Any outrageous requests?
Gay conversion and humiliation is my number one most requested fantasy. I'm am sought out specifically for this. I get many outrageous requests. The internet is a cesspool. Race play, while frequently requested, is one that I will not engage in. I have a small fanbase who love my "executrix" content, which features me sexily executing men.

Do you get requests for pantyhose?
I get tons of pantyhose requests! They make my legs look great! I have lots of loyal pantyhose fans and I shoot many customs. I also wear spandex practically every day.

Do you like foot and leg fetishism, attention to your feet?
YES! My feet alone have paid my rent for over a decade. I am not foot ticklish and love my feet being touched in every way. I have highly-arched, pretty, dancer's feet and shapely gymnast calves that look excellent in the highest of heels.

We notice that you are very flexible.
I realized this at a young age. I am naturally flexible and joke that I came out of the womb with the ability to sit on my own head.

What is the most difficult aspect of gymnastics?
Aging! It gets harder and harder and requires much more effort to maintain.

How does your flexibility factor into your sex life?
It's helpful when I'm penetrating someone and want to step on their face or neck at the same time.

Why did you want to shoot for TABOO Magazine?
I'm a fan of the Hustler empire and it's such an honor to be featured in TABOO.

What kind of porn do you prefer? What do you search for on the internet?
Screaming women in rough scenes who look upset or checked out. I don't know why, it just does it for me. Also, massive natural milkmaid tits.

Are you in a fetish lifestyle partnership? Would you like to be?
Fetish partnerships are my preferred relationship style and sometimes I will add a vanilla relationship to accompany it.

What was your favorite part of shooting for TABOO?
I love Ellen Stagg! It's always fun to catch up with her and play with outfits, props and positions.

When did you start fetish modeling and under what circumstances?

Majesty Mae: When I was 18, I started out as a rope bottom. I traveled domestically and internationally just to shoot with certain photographers. I've since become a switch. I'm submissive in my personal life and dominant in my professional life.

Marykate Moss: I started fetish modeling in 2019 when I joined the porn industry in Los Angeles.

What fetishes do you like personally?

MM: I enjoy both giving and receiving impact play, spitting and drool play, verbal degradation, role playing and rope and metal bondage.

MKM: I have a ton of fetishes! They are the beautiful spice of life!! Bondage, rope, feet, spanking. I love pain during sex, it makes everything so much more intense.

Why did you want to shoot for TABOO Magazine?

MM: Because I saw it as a way to debut myself. I really like what the magazine stands for and how they help provide a safe place to express my sexy, kinky self.

MkM: I have always been attracted to BDSM. I love the curation and aesthetic that TABOO Magazine has created for fetish models.

Do you wear fetish clothing in public?

MM: I do! I am a boot fetishist and enjoy wearing both black leather and PVC boots. The way thigh-high boots caress is just so spectacular!

MkM: Yes! On night outs, I LOVE a good latex piece. The shininess, the way it clings to my body…so sexy! I wear collars super often too.

What kind of porn do you like? What do you search for on the internet?

MM: I really enjoy watching things that include a lot of verbal degradation. There's something so sexy when someone really enjoys being degraded. I search everything that includes "hardcore!"

MkM: Massage, anal, DP, gangbang, hentai, lesbian…so much turns me on.

Do you like porn magazines?

MM: I'm a collector of fetish magazines! For me, they're a great inspiration for my work.

MkM: Yes! They are so classic. There's something very naughty and exciting about having porn mags around the apartment.

Are you dominant, submissive or a switch?

MM: I'm a switch

MkM: Mostly submissive, but I can absolutely be a switch with girls! ;)

Have you ever been pissed or pissed on others?

MM: YES, I've been pissed on my chest and my face. I have pissed on multiple people actually. I've also made people drink my golden champagne.

MkM: I have tried a few times. Definitely something for me to explore more of in the future! ;)

Have your sexual or BDSM boundaries changed over time? Are there things you wouldn't do before that you like now?

MM: Absolutely! As I've grown as a BDSM person, so have my desires. I never thought "full toilet" would ever be something that I'd be comfortable with. That has since changed. ;)

MkM: Oh definitely. Boundaries are ever-changing! When I was younger, I was pretty afraid of electricity during BDSM. Shooting porn safely on set has allowed me to explore and expand my boundaries. I've always been into rough sex, though! :)

What was you favorite part of shooting for TABOO?

MM: I loved meeting Marykate and Ellen! They are wonderful to work with!

MkM: The shoot gave me a chance to experience BDSM after being isolated during the pandemic. It was so refreshing to be back in a submissive headspace.

The luscious vixen Jessa Jordan is back. This time she finds herself bound to a padded cross. Suffering as she does, she begs with her lovely fluttering lashes, which only gets Jessa into more predicaments. We can never get enough of her perfect round ass!

Plus, more BDSM players, golden flows, all the hardcore you've come to expect from America's best fetish magazine.
See you next time. Stay safe, play hard!
